

COLONNADE INSURANCE S.A LUXEMBOURG – SUCURSALA BUCURESTI IS SEEKING A

RISK ENGINEER

COMPANY DESCRIPTION

Colonnade Insurance S.A. specializes in non-life insurance, which is designed not only for individual clients, but also for small and large businesses. We are part of the multinational financial group Fairfax Financial Holdings, one of the world leaders in insurance and reinsurance. Colonnade operates through branches in Romania, the Czech Republic, Bulgaria, Poland, Slovakia, Hungary.

In Europe, the Colonnade company employs over 500 experienced specialists. Our financial strength has been affirmed by the [A.M. Best Company rating A- \(Excellent\)](#).

WHY IS COLONNADE A GREAT PLACE TO JOIN?

At Colonnade, our strategy is to become a significant general insurer of scale, focusing on the CEE region. Colonnade is in a fortunate and unique position:

- Our shareholder is totally supportive of our strategy and investment in our growth
- We have a profitable foundation and are able to fund our transformation from these profits
- We want to transform and create our insurance company into a modern, successful and digital insurer, based on our Fairfax values
- We offer friendly work environment with flexible hours split between office presence and remote work

JOB DETAILS

Location: Bucharest, Romania

Job type: Full-time

CANDIDATE'S PROFILE

We are looking for an analytical mind, hardworking and goal-oriented team player with good communication skills.

As a Risk Engineer you will play a key role in our customer's and underwriter's risk selection process. This by identifying, assessing and providing effective advice on risk management issues to reduce the impact on property damage and business interruption.

DAY TO DAY TASKS – MAIN DUTIES

- Advise and support underwriters in the technical assessment of insurance risks
- Planning and execution of customer visits to analyze inherent risks and protective measures as well as documentation of relevant aspects in survey reports (on-site surveys)
- Evaluation of external survey reports and information (desktop reviews)
- Internal communication on risk engineering topics, e.g. seminars, workshops.
- Collaboration in internal working groups and projects, participation in the development and revision of internal risk engineering standards and tools
- Independent continuous self-learning regarding trends and developments in the relevant industries to support Colonnade Insurance in forming opinions on emerging technical issues with an impact on insurance business (e.g. IoT, new battery technologies, AI, etc.).

REQUIREMENTS

List of requirements to be successful in the future role:

- University degree in Engineering
- Property loss prevention background (would be a plus)
- Team-player, actively contributing to the team result and spirit
- Service mindedness for internal and external partners
- Self-confident with excellent presenting skills
- Strong interpersonal skills, both written and verbal
- Strong analytical skills with high affinity to technology, data analytics (e.g., Microsoft Office, databases and statistics) and digital solutions
- Entrepreneurial mind-set with business sense and flexibility, focused on delivering results
- Excellent oral and written Romanian and English (business proficient) skills
- The role requires travelling throughout Romania.

COLONNADE VISION

*We believe in fairness and simplicity in all our relationships, this is how we do business!
We deliver transparent products and fast claims service that address the challenges of the changing world around us!"*

COLONNADE VALUES

- Honesty and integrity are essential in all our relationships and will never be compromised.
- We are results oriented – not political.
- We are team players – no “egos”. A confrontational style is not appropriate. We value loyalty – to Fairfax and our colleagues.
- We are hardworking but not at the expense of our families.
- We always look at opportunities but emphasize downside protection and look for ways to minimize loss of capital.
- We are entrepreneurial. We encourage calculated risk taking. It is all right to fail but we should learn from our mistakes.
- We will never bet the company on any project or acquisition.
- We believe in having fun – at work!
